Dear Dental Volunteer:

The Junior League of Salt Lake City is sponsoring the 18th annual Junior League CARE Fair on Friday, July 9, and Saturday, July 10, 2010. This event will be held at the Horizonte Education and Training Center, 1234 S. Main Street, Salt Lake City.

The Junior League CARE (Community Assistance Resource Event) Fair brings together many community agencies to provide “one-stop shopping” for health and human services for limited-income families. Last year we were able to provide just over 400 dental screenings and had to turn away hundreds of other individuals needing these services. This year, with your help, we hope to be able to help even more children and families.

I would like to invite you to participate in providing free dental screenings and fluoride varnishes for adults and children, as well as sealants for children. We will have ten mobile dental units equipped with air, water, vacuum, and tools. Below is a schedule of available shifts. Please email Suzanne Teeple at suzanne.teeple@gmail.com, or call 520-461-3548 with your shift preference. Please include your name, phone number and email address in the message, along with your volunteer shift preference. Please feel free to volunteer for more than one shift. Please encourage your colleagues to volunteer for a shift as well.

This year, the Junior League of Salt Lake City will be partnering with the University of Utah Dental Clinic to provide follow up services the week after CARE Fair. We will give out vouchers to clients that need follow up care. The follow up services will help provide critical dental needs, such as filling cavities. This will take place on Saturday, July 17, 2010. We will also need volunteers to help with these services. More details will be coming soon.

Thank you for your willingness to consider volunteering your valuable time to the largest free health fair in Utah. We can't provide these services without your help and support. We look forward to hearing from you. For more information, please visit our website at www.jlslc.org.

Sincerely,
