## **Utah's Largest Free Healthcare Clinic Returns July 13 & 14**

Salt Lake City, UT – The Junior League of Salt Lake City, along with dozens of community partners, are excited to announce the 26<sup>th</sup> Annual Community Assistance and Resource Event (CARE) Fair. CARE Fair will take place on Friday, July 13 from 9:00 a.m. to 8:00 p.m. and Saturday, July 14 from 9:00 a.m. through 5:00 p.m. at the Horizonte Instruction and Training Center in Salt Lake City.

CARE Fair is Utah's largest FREE health fair that is designed for families needing routine medical, dental, and vision services along with community assistance information. Typically, major barriers (i.e. time, language, financial, transportation constraints) prevent some Utah families from receiving basic health and human services. This event eliminates many of these barriers by bringing together community agencies and medical service providers at one time and in one place.

All services are first come, first served and no appointments are necessary. All ages welcome, and free childcare will be provided while parents or guardians are receiving care.

This amazing community event is committed to help those who need it most. There will be translators for several different languages to assist the immigrant and refugee population, who often don't have access to health care. In addition to FREE health and dental services, we will also give away bike helmets and car seats on a first-come, first-served basis.

Media availability before and during the event.
