For the past 10+ years, the Junior League of Salt Lake City has hosted Touch-A-Truck, a family-friendly event that offers children a hands-on opportunity to explore a variety of vehicles and to meet the people who build, protect and serve the community. Vehicles on display routinely include construction trucks, emergency responders, tractor trailers, utility trucks and even a helicopter. The event also features vendors, food trucks and activities in a fun festival atmosphere.

A family festival where kids can explore vehicles, see how they work and sit in the driver's seat. By sponsoring Touch-a-Truck, you are helping support the Junior League of Salt Lake City's mission of Empowering Women by Building Better Communities. Your organization's contribution enables the League to continue making an impact and give back to the community through its programs.
